To Whom It May Concern:

It is my pleasure to recommend Gabriela Marks for a position in your organization. Gabriela interned with us in the CyberGuy department at KTLA-TV Los Angeles during the fall semester of 2004.

Gabriana was always on time, courteous, helpful, and kind towards her co-workers. She performed her assigned tasks with a smile and never with a complaint. She was a joy to be around and to work with.

As part of her responsibilities here, Gabriela helped with the daily production of our technology news segment. She conducted story research, assisted with field production, logged tapes, and replied to viewer inquiries.

Gabriana would be an asset to your company and I hope that you consider her. Please feel free to contact me with any further questions.

Sincerely,
